Sub: Financial Assistance for Advanced Research in Characterization of Biosoot of *Chromolaena odorata*... reg.

Ref: ML-2023-RD002

Respected Prof,

The proposal to conduct the advanced research on the Characterization of biosoot of *Chromolaena odorata*. In this regard, I request you to kindly do the analysis and provide your inputs on the same. The grant fund of Rs. 20,000/- (Rupees Twenty thousand only) can be claimed for plant collection, preparation and characterization. The TA and DA of the personnel involved must be subjected to the allotted Budget.

We are highly grateful for your continuous support.

Thanks & Regards

D. Madhan Kumar

Dear Sir/Madam,

Sub: Financial Assistance for Advanced Research work – Regarding.

Greetings. Your project entitled “Biosynthesis and characterization of nano hesperidin and evaluation of anti-diabetic activity” has been selected for financial assistance of Rs. 10,000/-. You are requested to submit the project report after the duration.

We look forward to supporting your research endeavours and anticipate the valuable outcomes this project will yield.

Wishing you best of luck.

Sub: INSA Visiting Scientist Programme, FY 2022-23.

Dear Dr. Manjunathan,

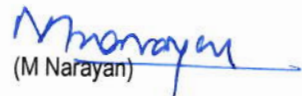

This is with reference to your application for INSA Visiting Scientist Programme 2022 for FY 2022-23. I am happy to inform you that you have been selected for this award under which you can visit the Institute as mentioned in your application for a period of **2 months** on following terms conditions:

1. During the fellowship period you will be paid a **consolidated amount of Rs. 30,000/- (maximum) per month to cover your expenses related to boarding, lodging, travel etc.** At least one month of visit is required for claim.
2. Candidate selected as Visiting Scientist must avail this Fellowship on or before **31st January, 2023**. The last date for submission of the Claim will be **15th March, 2023**.
3. In case of any Change in Parent Institute, prior permission is to be obtained from INSA.
4. Grant will be release to **Parent Institute** on completion of the visit upon submission of Claim Bill (in duplicate) duly forwarded by Parent Institute along with UC/SOE as per enclosed proforma along with all supporting documents mentioned in the Claim Bill.
5. In case of on-line mode, no financial assistance will be provided by INSA.
6. The awardees are advised to avail Guest House/Hostel in any Institute/Govt. accommodation for boarding and lodging purpose.
7. A short report (2-3 typed pages) should be sent to the Academy immediately after completion of the visit along with a **certificate of completion from the Host Institute**.

Kindly communicate your acceptance.

With best wishes,

Yours sincerely,

(M Narayan)

Sir / Madam,

Sub: TNSCST – Young Scientist Fellowship (YSFS) – Selection Intimated – Reg.
Ref: Chairman Approval dated 21.10.2022

With reference to your application cited above, I am happy to inform you that you have been selected for the award of Young Scientist Fellowship for the year 2021-2022 for a period of 2 months subject to the following conditions:

- A total sum of **Rs.26200/-** will be provided towards fellowship for **2 months (Rs.20000/-)**. and II A/C travel fare (to and fro) from parent organization to the host institute. If you travel in lower class, the grant is to be reduced correspondingly to the actual train fare.
- Fellowship will not be paid if you avail any leave other than the casual leave during the training period.
- Date of relief and date of joining at the parent institution should be intimated to the Council.
- After completion of the programme, two copies of the YSFS Report along with the Certificate from the host Institution and 2 copies of the utilization certificate in the prescribed format should be submitted.
- You must send your **acceptance letter** as per the above conditions **before 15.11.2022** with appropriately **rescheduled** training / collaborative research.
- The YSFS program should be completed before the end of **July, 2023**.

Yours faithfully,

Member Secretary.

Dear Mr. Immanuel

Subject: Notification of Research Grant Award

We are pleased to inform you that your proposal titled Rational Drug Use of Antibiotics submitted to Micromedex Total Support Solution has been selected for funding under the Advanced Research. After careful review and consideration, your project has been chosen based on its merit, significance, and potential impact in the field of Pharmacy Practice. We are impressed by the quality and innovation demonstrated in your proposal and believe that your research objectives align closely with the goals and priorities of our funding initiative.

The details of your grant award are as follows:

- Grant Recipient: M. Immanuel Jebastine/ VISTAS
- Project Title: Rational Drug Use of Antibiotics
- Grant Amount: INR: 20,000/-
- Project Duration: 22 Feb 2023 to 21 May 2023

Please find attached a copy of the grant agreement, which outlines the terms and conditions associated with the award. It is imperative that you carefully review and adhere to the guidelines specified therein.

We anticipate that your research will make a valuable contribution to the advancement of knowledge in your field and look forward to the outcomes of your work. We also encourage you to keep us informed of your progress throughout the duration of the project.

Once again, congratulations on your successful grant application. We wish you every success in your research endeavors.

Subject: Sanction Letter for Research Grant on Formulation Development of Oral Drug Delivery

Sir,

We are pleased to inform you that your research proposal titled "Formulation Development of Oral Drug Delivery Systems for Enhanced Bioavailability" has been selected for funding under the financial assistance for Advanced Research grant programme by Medpoint health care ltd.

After a rigorous review process, your proposal has been identified as highly meritorious and aligned with the objectives of the grant program. The proposed research aims to address a critical need in the field of pharmaceutical sciences by focusing on the development of innovative oral drug delivery systems to improve the bioavailability of therapeutics. In accordance with the terms and conditions of the grant program, we are pleased to award you a research grant in the amount of 30,000/-Rs for the duration of 6 months. This funding is intended to support the execution of your research project, including other direct project expenses.

We have full confidence in your ability to successfully carry out the proposed research activities and achieve the outlined objectives. We anticipate that the outcomes of your research will contribute significantly to the advancement of knowledge in the field of oral drug delivery and have potential implications for the development of new therapeutic formulations with enhanced bioavailability.

Please review the attached grant agreement, and we kindly request that you sign and return the grant agreement at your earliest convenience to initiate the disbursement of funds.

Once again, congratulations on your successful grant application. We look forward to the progress and outcomes of your research project and remain committed to supporting your endeavors in advancing scientific discovery and innovation. Should you have any questions or require further assistance, please do not hesitate to contact the Medpoint healthcare ltd.

Yours sincerely,

Mr. Surendar J.

Respected Sir/Madam,

Sub: Proposal for Collaboration Project: Characterization of Crude oil-degrading marine bacterium *Bacillus licheniformis*

I hope this email finds you well. I am writing to you on behalf of Eukpro Biotech Private Limited to propose an exciting collaboration project aimed at enhancing crude oil degradation through partnership. In particular under Industry- Institute collaboration.

This collaboration is part of the research and development work at Eukpro Biotech Private Limited and no funds from the grant will be used in intramural research, neither will we accept any form remuneration, whether in the form of salary, honoraria, or travel expenses. We will provide scientific input (and mentoring). Further, this research work would help to promote and facilitate environmental research, we would provide requested research materials and technical expertise for research purpose.

Warm Regards

Sub: Selection for Short Term Training

Dear Sir/Madam,

We are please to inform you that your request for short term training on Microbial Enzyme Production, as this training would help you to enhance your technical skill and knowledge on microbial product production. The training program was completed with the given timeframe (07.08.2023 to 08.09. 2023). Upon completion, we encourage you to share your newly acquired knowledge with your colleagues and students to enhance your overall performance.

Thank you for your commitment to your professional growth, and we wish you a successful training.

With Regards

Subject: Sanction Letter for Research Grant on Formulation Development of Oral Drug Delivery

Sir,

We are pleased to inform you that your research proposal titled "Formulation Development of plants" has been selected for funding under the financial assistance for Advanced Research grant programme by Medpoint health care ltd.

After a rigorous review process, your proposal has been identified as highly meritorious and aligned with the objectives of the grant program. The proposed research aims to address a critical need in the field of pharmaceutical sciences by focusing on the development of innovative oral drug delivery systems to improve the bioavailability of therapeutics. In accordance with the terms and conditions of the grant program, we are pleased to award you a research grant in the amount of 30,000/-Rs for the duration of 6 months. This funding is intended to support the execution of your research project, including other direct project expenses.

We have full confidence in your ability to successfully carry out the proposed research activities and achieve the outlined objectives. We anticipate that the outcomes of your research will contribute significantly to the advancement of knowledge in the field of oral drug delivery and have potential implications for the development of new therapeutic formulations with enhanced bioavailability.

Please review the attached grant agreement, and we kindly request that you sign and return the grant agreement at your earliest convenience to initiate the disbursement of funds.

Once again, congratulations on your successful grant application. We look forward to the progress and outcomes of your research project and remain committed to supporting your endeavors in advancing scientific discovery and innovation. Should you have any questions or require further assistance, please do not hesitate to contact the Medpoint healthcare ltd.

Yours sincerely,

Mr. Surendar J.
Founder & CEO

Vels Institute of Science, Technology and Advanced Studies (VISTAS)
Pallavaram, Chennai, Tamil Nadu, India

Subject: Financial Support for Poultry Feed Analysis – Advanced
Research – Regarding.

Dear Sir/Madam,

We, Citrus Agro Vet, are seeking your esteemed research services for the analysis of poultry feed samples. As we strive to enhance the quality and nutritional value of our products, understanding the composition of the feed is paramount. Hence, we are eager to engage in a poultry feed analysis project to achieve this goal.

We are ready to cover the estimated fee of Rs. 3500/- required for the successful completion of this project. Kindly consider our request and proceed with the necessary analysis.

Thank you for your attention to this matter. We look forward to your prompt response and cooperation.

Sincerely,

Dear Sir,

I am writing to inform you that your request towards seeking financial support to carry out the advanced research work related to “**Effectiveness of Phyllanthus embilica for water purification**” You have been awarded funding support of Rs.5,000 (five thousand).

This financial grant is applicable only for the financial year 2024.

For further clarification, please feel free to contact us. We would be glad to assist you.

Thanking you,

Yours truly,

For Jeev Biomedical care

Subject: Approval for Financial Assistance for Advanced Research

I am delighted to inform you that your proposal for advanced research titled "Examine the risks associated with organic food consumption" has been thoroughly reviewed and evaluated by our expert panel. After careful consideration, we are pleased to approve financial assistance in the amount of Rs. 2500/- to support your innovative and promising research endeavor.

The allocated funds are intended to cover various expenses associated with your research, including but not limited to equipment purchase, data collection and analysis, travel costs for fieldwork, and stipends for research assistants, if applicable.

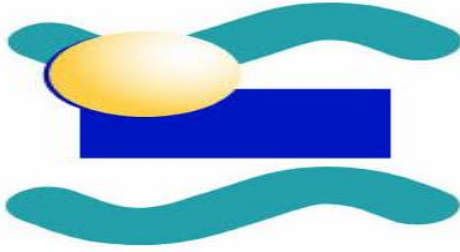

We have full confidence in your abilities and dedication to successfully carry out this research project. We trust that you will adhere to the proposed timeline and deliverables outlined in your proposal. Regular progress updates will be required to ensure that the project remains on track and aligns with our mutual expectations.

As a recipient of this financial assistance, you are also expected to comply with all relevant regulations and ethical guidelines governing research conduct. Furthermore, any significant deviations from the approved project plan must be communicated to us promptly for review and approval.

We are excited about the potential outcomes of your research and look forward to the insights and advancements it will bring to the field. Please do not hesitate to reach out to us if you require any further assistance or clarification throughout the duration of your project.

Once again, congratulations on securing this financial assistance, and we wish you the best of luck with your research endeavors.

I am delighted to inform you that your proposal for advanced research titled "Discuss the effect of the mother tongue on learning the English language" has been thoroughly reviewed and evaluated by our expert panel. After careful consideration, we are pleased to approve financial assistance in the amount of Rs. 2500/- to support your innovative and promising research endeavor.

The allocated funds are intended to cover various expenses associated with your research, including but not limited to equipment purchase, data collection and analysis, travel costs for fieldwork, and stipends for research assistants, if applicable.

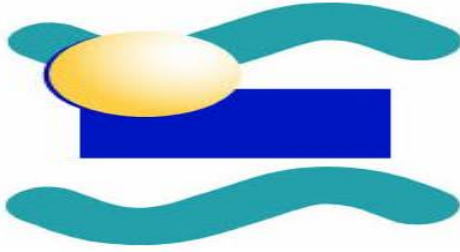

We have full confidence in your abilities and dedication to successfully carry out this research project. We trust that you will adhere to the proposed timeline and deliverables outlined in your proposal. Regular progress updates will be required to ensure that the project remains on track and aligns with our mutual expectations.

As a recipient of this financial assistance, you are also expected to comply with all relevant regulations and ethical guidelines governing research conduct. Furthermore, any significant deviations from the approved project plan must be communicated to us promptly for review and approval.

We are excited about the potential outcomes of your research and look forward to the insights and advancements it will bring to the field. Please do not hesitate to reach out to us if you require any further assistance or clarification throughout the duration of your project.

Once again, congratulations on securing this financial assistance, and we wish you the best of luck with your research endeavors.

Sincerely,

Subject: Approval for Financial Assistance – Advanced Research

Dear Dr.Kalaivani.K ,

I am delighted to inform you that your collaborative research proposal titled "Machine Learning for Predictive Analytics" has been thoroughly reviewed and evaluated. After careful consideration, we are pleased to announce the approval of financial assistance in the amount of Rs. 5000/- to support your collaborative research efforts.

Your project exhibits great promise in advancing knowledge and innovation within the field. We are impressed by the collaborative spirit demonstrated by your research team and the potential impact your findings could have on society.

We have full confidence in the capabilities and commitment of your collaborative research team to successfully execute this project. We expect regular progress updates to ensure that the project remains aligned with our mutual objectives.

We eagerly anticipate the outcomes of your collaborative research and the valuable contributions it will make to the field. Should you require any further assistance or clarification during the project's duration, please do not hesitate to reach out to us.

Congratulations once again on securing this financial assistance, and we extend our best wishes to you and your collaborative research team for a successful endeavor.

Dear Ms.S.M.Sowmiya,

We're pleased to inform you that your collaborative research proposal, "Renewable Energy Integration in Marine Vessels: A Focus on Wind and Solar Power" has been approved for financial assistance of Rs. 7500/. The allocated funds will cover expenses such as equipment, data analysis, travel, and stipends. We're confident in your team's capabilities and look forward to your contributions to the field.

Congratulations and best wishes for success.

Sincerely,
