*Marching Beyond **30** Years Successfully*
INSTITUTION WITH **UGC 12B** STATUS

Impact Analysis

- The key areas to understand the outcomes and benefits of working towards accreditation are studied.
- Curriculum Enhancement: Evaluation of curriculum development and improvement in alignment with industry standards.
- Teaching-Learning Processes: Assessment of teaching methodologies, learning outcomes, and continuous improvement mechanisms.
- Faculty Qualification and Training: Improvement in faculty qualifications and participation in professional development activities.
- Research and Innovation: Increase in faculty involvement in research, publications, and innovative practices.
- Student Outcomes: Improvement in student performance metrics, including grades, project work, and practical skills.
- Placement and Higher Education: Enhanced student placement rates and opportunities for higher education and research.
- Facilities: Improvement in physical infrastructure, laboratories, libraries, and other learning resources.
- Technology Integration: Increased use of technology in teaching, learning, and administrative processes.
- Strategic Planning: Implementation of strategic planning processes for continuous improvement.
- Stakeholder Engagement: Increased involvement of stakeholders, including industry, alumni, and community in institutional development.
