FAMILY FIESTA

On his birthday, the benevolent Dr Ishari Ganesh, known for his unwavering commitment to the well-being of his staff, decided to celebrate in a uniquely altruistic manner. Instead of indulging in lavish festivities for himself, he chose to express his gratitude to the hardworking faculty and staff who contribute tirelessly to the institution's success.

With a heart brimming with generosity, he organized a sumptuous feast, filled with an array of delectable dishes and treats, as a token of appreciation. As the aroma of freshly cooked meals wafted through the corridors, the college staff gathered in jubilation, touched by their employer's thoughtfulness. This act of kindness not only nourished their bodies but also warmed their spirits, fostering a sense of camaraderie and gratitude within the college community.

Donating over 50,000 books through vistas for setting up libraries in government schools and colleges is a commendable initiative. Access to books and libraries is crucial for promoting literacy and education, especially in areas where resources may be limited. By organizing india's largest book donation drive, vistas is and empowerment. Libraries not only provide students with access to a wide range of knowledge but also foster a culture of reading an2d lifelong learning.

Providing free medical camps can make a significant difference in communities, especially for those who may not have easy access to healthcare services. And it's great to hear that Canara bank contributed by donating an ambulance. Their support would have helped ensure that medical assistance could reach those who need it promptly. Such collaborations between organizations and businesses can have a profound impact on public health and well-being.
