Dr. ISHARI K. GANESH
Founder – Chancellor

Vels Institute of Science, Technology and Advanced Studies (VISTAS) has now successfully completed the sixteen years of its service to society by offering quality higher education. Starting in a humble way in 1992, the Vels group of institutions has grown in stature to occupy a respectable position as a seat of learning and advanced research and as one of the reputed universities in India. It is indeed a matter of great satisfaction for me to note that significant improvement has been made in the sphere of imparting higher education at the University. Innovative research in various disciplines and new courses have been introduced which will greatly help to cultivate an atmosphere essential for acquiring a high academic standard.

VISTAS encourages research in many ways. It provides fee concession for its teachers who register for Ph.D at this University. VISTAS also provides `Starter Grants' to the young teachers to encourage research. Monetary incentives are given to those who attend National, International conferences and publish research papers in journals. Fellowships with a monthly stipend of Rs. 20,000/- are provided to each full time Ph.D. research scholar. All our efforts to promote research have started yielding fruits. The University has so far filed 526 patents, 177 awarded and 12 of its technologies have been transferred for production. The University also receives research grants from external funding agencies which strengthen our research activities. I am happy to note that the VISTAS is bringing out an exclusive prospectus for the Ph.D.research Program.

Prof. Dr. M. Bhaskaran, Ph.D

Vice-Chancellor (FAC)

Vels Institute of Science, Technology and Advanced Studies (VISTAS), as a unique center of higher education, provides quality higher education to meet the diverse needs of learning aspirations of young men and women through its Multi-Disciplinary Educational System. At VISTAS, it is believed that imparting need based high-quality education is the need of the hour to nurture the young minds to successfully meet the challenges of today's complex socioeconomic system and to make them blossom as leaders to guide the society. The state of the art infrastructure, highly qualified faculty members, well-equipped laboratories and research centers, well stocked library, world class facilities for sports and ICT enabled student-centric teaching-learning process facilitate the students to choose the courses of their needs and to achieve what they desire. I assure that VISTAS have a well experienced research supervisors with adequate knowledge to help the research community to enrich themselves on the current trends in various specialized research areas such as Pharmacy, Basic Sciences, Life Sciences, Engineering, Medicine, Allied Health Sciences, Languages, Law, Commerce, Management Studies, Economics, Mass Communication, and Music & Fine Arts. I wholeheartedly congratulate you on selecting VISTAS, an institution that upholds the belief that true education is complete with innovation and research.

(Dr. M. Bhaskaran)

5.11 Award of Vels Research Fellowship (VRF) to Full-Time Research Scholars.

The scholars selected for the award of this fellowship are entitled to receive VRF of Rs.30,000/- for Engineering and Sciences and Rs.25,000/- for Arts. The eligible and suitable Full-time Ph.D. scholars will be selected for the award of a scholarship by a committee constituted by the Registrar. The Scholarship is for a period of 3 years or until the submission of the thesis, whichever is earlier. If the scholar is awarded any other fellowships during the period of research, the scholar is entitled to receive them and the VRF will be discontinued. In such instances, it is the due responsibility of the Research Supervisor to inform about the award of other such fellowships/financial support to the Registrar and Dean-Academic Research, immediately. The concerned Research Supervisor should also maintain the VRF scholars' attendance and submit to the respective HOD every month for verification. Attendance for VRF scholars using a swipe card is also mandatory. Any leave or on-duty availed by the scholar should be applied to The Registrar, through the Research Supervisor, HOD, Dean/ Director concerned. Ph.D. Scholars selected for the fellowship award have to complete the Ph.D. program within the minimum period stipulated in the Ph.D. Regulation. If they discontinue or could not complete the said program, the amount paid to the respective scholar as a monthly stipend will be recovered.

6. SUPERVISOR FOR RESEARCH

Every scholar registered for the Ph.D. program shall work under the continuous supervision of a recognized Research Supervisor. For inter-disciplinary research, a co-guide may be included, if necessary.

7. RESEARCH IN INTER-DISCIPLINARY SUBJECTS

Scholars shall normally be eligible for admission to the Ph.D. program in the discipline based on the scholar's Master's Degree. He / She shall normally be allowed to join Ph.D., program only in that department which is named after the subject of his/her Master's Degree. It shall, however, be open to a scholar to apply for admission to a doctoral programme in another discipline other than the subject in which he/she has obtained a Master's Degree. When a scholar is admitted for a Ph.D. in a discipline different from his/her Master's Degree, the scholar would be given Ph.D. in that Inter-disciplinary field mentioning both the scholar's subject and the department in which he/she has done the research.

8. ALLOCATION OF RESEARCH SUPERVISOR (Eligibility criteria for Research Supervisor, co-supervisor, number of Ph.D Scholars permissible per supervisor etc.)

8.1. Any regular Professor in the Departments / Schools / Centers of VISTAS with at least five research publications in refereed journals and any regular Associate/Assistant Professor of the VISTAS with a Ph.D. degree and at least two research publications in refereed journals may be recognized as Research Supervisor.
Provided that in areas/disciplines where there is no or only a limited number of refereed journals, VISTAS may relax the above condition for recognition of a person as Research Supervisor will be provided by the expert committee with reasons recorded in writing.

8.2 Only a full-time regular teacher of VISTAS can act as a supervisor. The external supervisors are not allowed. However, Co-Supervisor can be allowed in inter-disciplinary areas from other departments of the same institute or from other related institutions with the approval of the Research Advisory Committee.

8.3 The allocation of a Research Supervisor for a selected research scholar shall be decided by the Department concerned depending on the number of scholars per Research Supervisor, the available specialization among the Supervisors, and the research interests of the scholars as indicated by them at the time of interview/viva voce.

8.4 In case of topics which are of inter-disciplinary nature where the Department concerned feels that the expertise in the Department has to be supplemented from outside, the Department may appoint a Research Supervisor from the Department itself, who shall be known as the Research Supervisor, and a Co-Supervisor from outside the Department/ Faculty/College/Institution on such terms and conditions as may be specified and agreed upon by the consenting Institutions/Colleges.

8.5 A Research Supervisor/Co-supervisor who is a Professor, at any given point of time, cannot guide more than Eight (8) Ph.D. scholars. An Associate Professor as Research Supervisor can guide up to a maximum of six (6) Ph.D. scholars and an Assistant Professor as Research Supervisor can guide up to a maximum of four (4) Ph.D. scholars.

8.6 In case of relocation of Ph.D. woman scholar due to marriage or otherwise, the research data shall be allowed to be transferred to the institution/University to which the scholar intends to relocate provided all the other conditions in these regulations are followed in letter and spirit and the research work does not pertain to the project secured by the parent institution/ supervisor from any funding agency. The scholar will however give due credit to the parent guide and the institution for the part of research already done.

8.7 The Research Supervisors, serving as teachers, would be permitted to register scholars up to the age of 65 years.

8.8. The faculty members who are desirous of getting themselves recognized as Research Supervisors must apply to the office of Dean-Academic Research, VISTAS in the prescribed application form, along with required documents for obtaining recognition. The Institution reserves the right to accept or reject the applications for recognition as Research Supervisors. Such recognition shall normally be given only for the subject in which the individual has obtained his/her doctoral degree, and after getting the opinion of an expert committee in the discipline concerned nominated by the Vice-Chancellor. Further, a faculty member already recognized as a Research Supervisor in the field in which he/she has obtained his/her doctoral degree, but working as a regular member of faculty in a different but related Department, can guide scholars for Ph.D. in the discipline of the Department only and need not obtain recognition again as a Research Supervisor for this purpose.

8.9 A supervisor shall not guide his/her immediate or close relative and to this effect he/she shall furnish a declaration.

8.10 The Supervisor shall declare the number of scholars (details of name, registration, date of provisional registration, etc.) currently registered with him/her at the time of registration of each new candidate.

8.11 While assessing the number of vacancies under a supervisor, the actual submission of the thesis by the scholar registered shall be taken into account.

8.12 The number of scholars for Research Supervisors who are Eminent Scientists or great academicians can be increased at the discretion of the Vice-Chancellor of VISTAS. However, the same shall be submitted to the Board of Research Studies (BORS) for approval.

8.13 If any Research Supervisor resigns his/her job and leaves VISTAS, the Ph.D. scholars under his/her supervision have to be re-allocated to another Research Supervisor(s), in the same department of VISTAS.

8.14 In confirmation to the UGC Regulations, VISTAS does not approve any persons as external supervisors.

8.15 If a Supervisor is found to involve in plagiarism, moral turpitude with fraudulent academic accomplishments, and other activities prejudicial to the reputation of the Institution, etc., his/her recognition of 'Research Supervisor' will be summarily withdrawn without assigning any reason thereof.

9. CHANGE OF SUPERVISOR AND TRANSFER OF SCHOLARS

9.1 Transfer of Ph.D. Scholars from one supervisor to another supervisor serving within the department(s) of VISTAS can be affected, if the mutual willingness is given by both the original and the proposed supervisors.

9.2 In case, a change of supervisor or transfer of scholar is proposed without the consent of any one of the parties concerned, the matter shall be referred to the Board of Research Studies, whose decision shall be final.

9.3 The supervisors who wish to avail leave / lien / deputation beyond a period of six months shall nominate co-guides in the subject concerned for the scholars registered with them and the fact should be intimated to the authorities, in advance for approval.

10. COURSE WORK EXAMINATION AND EVALUATION
(Evaluation and Assessment Methods, minimum standards/credits for award of the degree, etc.)

10.1 Every scholar provisionally registered for the Ph.D. program shall undergo coursework in the first year and submit himself/herself to written and oral examinations to be conducted by the doctoral committee. A scholar shall earn a minimum of 07 credits and a maximum of 14 credits by means of passing the coursework exam. The course work consists of the following:

Name of the Subject	**Credits**
Paper-I : Research Methodology *	4
Paper-II : Research and Publication Ethics (RPE)	2
Paper-III : Background Paper of concerned discipline	4
Paper-IV : Background Paper on his/her Ph.D. work	4
Maximum Credits	**14**

* Exempted for scholars who completed the M.Phil program.

The credit for the course work papers completed on SWAYAM / NPTEL platform will be same as the credit of the equivalent course work paper.

The syllabus of the SWAYAM / NPTEL Courses that are selected for Course work must have at least 50% mapping with the corresponding equivalent course. The selected SWAYAM / NPTEL Course must be at the Postgraduate Level or eligible as Faculty Development Programme (FDP).

It is mandatory for scholars to complete at least one course on the SWAYAM / NPTEL Platform. However, they can also complete all maximum four courses on SWAYAM / NPTEL.

Scholars who do not successfully complete the SWAYAM / NPTEL courses will be given additional time period of one more semester after one year to complete the same. The course completion confirmation letter will be issued only after the successful completion of the course on SWAYAM / NPTEL platform.

A scholar who is approved by the Research Advisory Committee (RAC), on the basis of these examinations will be registered as a scholar for the Ph.D. Degree thereafter confirming his/her provisional registration. He/ She shall be permitted to proceed with his/her research work and submit the thesis at the expiry of the minimum total period of research prescribed after provisional registration.

The scholars provisionally registered for Ph.D under faculty of Engineering alone have to write an additional paper (Paper: IV).

10.2 Grades in the course work, including research methodology courses shall be finalized after a combined assessment by the Research Advisory Committee and the Department and the final grades shall be communicated to the scholar.

10.3 The Ph.D. scholar has to obtain a minimum of 55% of marks or its equivalent grade in the UGC 7-point scale (or an equivalent grade/CGPA in a point scale wherever grading system is followed) in the course work in order to be eligible to continue in the programme and submit the dissertation/thesis.

11. CANCELLATION OF PH.D. REGISTRATION

In case of recommendation for cancellation of the registration by the Research Supervisor, should be submitted through HoD / Dean / Director, the scholars shall be intimated of the grounds on which the registration is being proposed for cancellation.

Scholars fail to pay the prescribed research fee every year, by default their registration stays cancelled.

In case of any representation from the candidate, the matter shall be referred to the Board of Research Studies, which may either suggest cancellation or change of supervisor depending upon the merit of the case. The decision of the Board of Research studies shall be final.

12. RESEARCH ADVISORY COMMITTEE AND ITS FUNCTIONS

12.1 The Research Supervisor will propose a panel consisting of 4 members, who are experts in the topic of Research of the scholar, out of which two members will be appointed as members of the Research Advisory Committee (RAC) for the Ph.D. scholar. The nominated members in the panel for RAC should be:

- An approved Research Supervisor for a Ph.D. in any one of the recognized Universities.
- Currently working in any recognized educational institution or Research Centre, actively involved in the research activities.
- For School of Law, in case of non-availability of sufficient number of qualified RAC members from other Institutions / Inter-disciplinary mode, one internal RAC member from School of Law, VISTAS, may be included as a Research Advisory Committee member.
- For Physiotherapy, if members are not available with prerequisite qualifications, medical doctors with ten years of teaching / practicing experience in the field of orthopaedics may be appointed as members of the doctoral RAC.
- Area Jurisdiction for RAC members (Chennai District, Chengalpattu District, Kanchipuram District)

12.2 The supervisor will be the Convenor, The Head School/Dept. concerned will be the Ex-officio member and inclusion of two experts from outside.

The Research Supervisor of the scholar will be the Convener of this Committee. The Committee will be constituted by the Research Supervisor for each scholar. It is mandatory that all the members of RAC must be present during the conduct of each RAC meeting and the scholar has to present the details of the research work before the committee.

12.3 The following are the responsibilities of the Committee:

To review the research proposal and finalize the topic of research

To guide the research scholar to develop the study design and methodology of the Research and identify the course(s) that he/she may have to do.

To periodically review and assist in the progress of the research work of the research scholar.

12.4 A research scholar shall appear before the Research Advisory Committee once in six months to make a presentation of the progress of his/her work for evaluation and further guidance. The six-monthly progress reports shall be submitted by the Research Advisory Committee to the office of Dean Academic Research with a copy to the research scholar.

12.5 In case the progress of the research scholar is unsatisfactory, the Research Advisory Committee shall record the reasons for the same and suggest corrective measures. If the research scholar fails to implement these corrective measures, the Research Advisory Committee may recommend to the Institution with specific reasons for cancellation of the registration of the research scholar.

d) The doctoral scholar shall also submit the Plagiarism Report tested by the authorized co-ordinators in their respective Department/ School of VISTAS, using the licensed version of the software provided to them by VISTAS (duly certified by the research supervisor and The Director, IQAC) along with the thesis (Not to be included in the thesis) and the similarity index should not exceed 10%.

e) A soft copy in a CD containing the contents of the full thesis and supplementary materials, like reprints of published papers, etc. should also be submitted along with the thesis.

After verification and confirming the above items, the scholar will be permitted to pay the thesis submission fee. A copy of the challan of the submission fee paid has to be submitted along with the thesis to the office of the Dean-Academic Research. The submitted thesis will be forwarded to the office of the Controller of Examinations for further processing.

15. PANEL OF EXAMINERS

The Research Supervisor should also submit the Phone numbers and e-mail ID of the examiners for enhancing the communication of the office of the Controller of Examination with the examiner.

The Research Supervisor shall provide a certificate stating that all the examiners suggested are experts and qualified to adjudicate the thesis. If the acceptance is not received from the first panel, the Controller of Examinations shall call for an additional panel of 6 names from the Research Supervisor as the case may be.

NB: The following are the basic criteria for the inclusion of examiners in the panel for Evaluation of thesis:

1. Should be a person actively engaged in research that is relevant to the entitled thesis.
2. Should have sufficient experience in the specified area of research to be able to judge the quality of the research and the thesis
3. Should not be a recent or current collaborator of the supervisor (or the student)
4. For the School of Ancient Indian Studies and Fine Arts and the Department of Tamil, the Panel of Examiners may be proposed based on the regional language in which the thesis is submitted.

16. ADJUDICATION OF THE THESIS

16.1 The thesis shall be referred by the institution for evaluation to a Board of examiners, consisting of 3 experts of whom one expert shall be from outside India and another expert from within India, but outside Tamilnadu (subject to the Regulation) and the third one shall be the Research Supervisor.

16.2 In the case of titles and subjects where Indian Examiners are more suitable, the Vice- Chancellor may appoint both the external examiners within India.

16.3 As soon as the synopsis and panel of examiners are received, the Office of Controller of Examinations shall take steps to fix the board of examiners.

16.4 Each examiner appointed by the VISTAS to adjudicate the thesis shall be requested to send his/her report within 2 months from the date of receipt of the thesis to the Controller of Examinations.

16.5 The report of the examiner should include:

- A detailed report with a critical survey of the work carried out by the candidate as expressed in the thesis.
- A definite recommendation as to whether the thesis attains the standard for Ph.D. degree or not.
- Questions, if any, to be asked or points to be clarified at the public viva-voce Examination.

If all the three examiners have recommended the award of Ph.D. Degree, the scholar shall be permitted to attend the viva-voce Examination. The date of the viva-voce examination will be fixed by the Research Supervisor in consultation with the viva-voce Examiner. If one of the examiners gives a definite recommendation against the award of the Degree, the thesis will be referred to a fourth examiner of the same category for adjudication. In total, if two examiners give definite recommendations against the award of the Degree, the thesis will be rejected.

The report of the two examiners on the thesis as received by the Controller of Examinations will be sent to the supervisor concerned for consolidating the reports and then the supervisor concerned may send all the three reports including the report of the supervisor along with the proforma for adjudication of all the three together with a consolidated report to the Controller of Examinations.

16.6 The public viva-voce of the research scholar to defend the dissertation/thesis shall be conducted only if the evaluation report(s) of the external examiner(s) on the dissertation/thesis is/are satisfactory and include a specific recommendation for conducting the viva-voce examination. If one of the evaluation reports of the external examiner in the case of the Ph.D. thesis, is unsatisfactory and does not recommend

viva-voce, the Controller of Examinations shall send the thesis to another external examiner out of the approved panel of examiners and the viva-voce examination shall be held only if the report of the latest examiner is satisfactory. If the report of the latest examiner is also unsatisfactory, the thesis shall be rejected and the research scholar shall be declared ineligible for the award of the degree.

17. RE-SUBMISSION OF THESIS

A scholar whose Thesis has not been commended for the award of degree may be permitted to resubmit the thesis on a second occasion after 3 months, but within a period of one year from the date of declaration of results with a specific statement from the candidate and supervisor concerned about the additional research work carried out and revision done in the thesis. The resubmitted thesis shall be referred to the same examiner(s) concerned who have originally valued the thesis for re-evaluation.

18. PUBLIC VIVA-VOCE

18.1 A Public viva-voce examination shall be arranged if TWO of the examiners who adjudicated the thesis have recommended the award of the Degree.

18.2 The public Viva-voce examination shall be normally conducted in the place where the Research Scholar has carried out his / her Ph.D. research by a two-member board viz., guide, and external examiner. A change in place could be considered if necessary with the approval of the Vice- Chancellor.

18.3 In the case of Research scholars under categories of full- time & part-time, one of the members of the Board for conducting Public Viva-voce shall be the supervisor who will also be the Convener of the Board. The other member shall be chosen by the Vice-Chancellor from a panel of names of three examiners proposed by the Research Supervisor.

The viva-voce examination shall be open to being attended by Members of the Research Advisory Committee, all faculty members of the Department, other research scholars and other interested experts/researchers.

18.4 The Viva-voce shall primarily be designed to test the understanding of the scholar on the subject matter of the thesis of the competence in the general field of study. The scholar shall be asked to make a brief presentation before the audience and when all the questions raised by the examiners and the audience are answered he/she would be declared to have passed the Viva-voce examination.

18.5 A pass in the Viva-voce is compulsory. If a scholar fails in the examination, he/she shall be allowed to re-appear before a panel constituted for this purpose by the Vice Chancellor once again after 3 months from the date of the first Viva-voce. If he/she fails again, his/her thesis for the award of the Ph.D. degree will be rejected.

19. CONSOLIDATED RECOMMENDATION

If the scholar passes the viva-voce, the viva-voce board shall consolidate the recommendations for the award of the Degree based on the following:

19.1 The reports of the examiners who adjudicated the thesis and

19.2 The evaluation of the scholar's performance in the viva- voce examination. The Board shall then forward the minutes of the viva-voce examination with the signatures of the external examiner and the supervisor mentioning the performance of the candidate in the viva-voce with regard to the answers provided for the questions posed and the answers provided by the scholar and classifying the thesis as "Highly commended /commended" to the Controller of Examinations, along with the list of participants with their addresses and signatures. For placing the thesis under the "Highly Commended" category, it should have been so recommended by all the examiners.

20. CERTIFICATE OF RESEARCH DEGREE

Each scholar and the Supervisor shall furnish a certificate in the thesis that the thesis submitted is a record of research work done by the scholar during the period of study under the Research Supervisor and that the thesis has not been submitted earlier for the award of any Degree anywhere. If the thesis forms a part of any previous research Degree it must be spelt out accordingly (Scholars who are permitted to do research work without a Research Supervisor shall also submit a certificate to this effect).

21. DEPOSITORY WITH INFLIBNET

Following the successful completion of the evaluation process and before the announcement of the award of the Ph.D. degree(s), the Institution concerned shall submit an electronic copy of the Ph.D. thesis to the INFLIBNET, for hosting the same so as to make it accessible to the public.

22. ISSUE OF PROVISIONAL CERTIFICATE

The provisional Certificate shall include a certification that the Ph.D. degree has been awarded in accordance with the provision of the UGC regulations.

23. FEES TO BE PAID

The fee is to be paid at the time of admission and subsequently, the research scholars have to pay the Research, Internet & Library fees in the starting of every year till the submission of thesis.

24. APPLICABILITY OF THE PROVISION

These regulations will come into effect from July 2016 session. However, in the case of scholars registered for the Ph.D. programme prior to July 2016, the previous regulations with appropriate modifications shall be applicable wherever necessary.

25. PUBLICATION OF THE THESIS

A thesis, whether approved or not, shall not be published in full without the permission of VISTAS, and the Vice-Chancellor may grant permission for the publication under such conditions as it may impose;

Provided that a scholars may during the course of his/her research, publish papers in standard and research journals, as advised by his/her Supervisor, but the thesis as a whole shall not be published without obtaining permission of the competent authorities mentioned supra.

Permission for publication of the thesis should be obtained only after the award of degree.

26. POWER TO MODIFY

Notwithstanding all that has been stated above, the Board of Research Studies has the right to modify any of the above Regulations from time to time and recommend the same to the Academic Council for approval.
